Dear ACI and ICMA colleagues,

For this edition of our blockbuster event of the year in Belgium, we decided to separate the Economic Panel from the New Year's Event.

Therefore, we first invite you at 17:30 sharp at the Hotel Métropole for the official Euronext Bell Ceremony in the presence of its CEO Vincent Van Dessel. By closing the exchange, we officially open the Economic Panel!

At 19:00 we 'cross the street' to kick off the New Year's Event at 'La Tentation'. The B2B area will also open there at 19:00.

Since we just closed the Euronext Markets, it is only logical that we organize a Bel20 contest this year. Therefore, we ask you to give us the closing of **29 January 2015** of the Bel20 index. In order to avoid a bottleneck, we kindly ask you to send us your guess via e-mail no later than **16:00 on 28 January 2015** to summit2015@petercam.be.

Vincent Van Dessel will hand over the first prize at la Tentation. All our sponsors are allowed to offer 'second prizes'!

The event will end at midnight.

If you wish to attend this splendid event, please be so kind to send an e-mail, at the latest on 9 January 2015, to summit2015@petercam.be.

The event is free of charge for all participants. As a sign of respect to the 2 associations and our sponsors, we count on your presence if you have indicated that you will attend.

Wishing you all a Merry Christmas and a Happy New Year!

We look forward to seeing you all on 29 January.

Yours sincerely,

Alain Strapart
President ACI Belgium

Herman Van Cauwenberge
President ICMA Belgium
