

25th Anniversary

— ICMA European Repo and Collateral Council —

Reception followed by dinner
25 April 2024 | 18:30 | Plaisterers' Hall, London

The ERCC was established in 1999 and is today firmly established as the main representative body for the cross border repo and collateral market in Europe. It has also played a crucial role in the development of the repo market globally. The ERCC is a perfect example of how industry participants can come together and collaborate for the benefit of the overall market.

The 25th year anniversary dinner is an opportunity to reflect on past and future challenges, to celebrate the progress made and the achievements of the ERCC but most of all to thank the numerous individuals who are and have been involved, who have contributed and continue to contribute to the ERCC's success and the growth of the global repo markets.
