

ICMA Switzerland and Liechtenstein Region's Winter Event Zermatt, Switzerland

20 to 22 January 2023

Sponsorship Opportunities

For more than 40 years, the International Capital Market Association (ICMA) Region of Switzerland & Liechtenstein has organised an annual winter event for ICMA member firms. After a two year absence, we are delighted to resume this flagship event.

The weekend, typically brings together over 120 regional representatives from across Europe including the UK, Germany, France, Austria and Luxembourg, as well as Switzerland. This makes it an ideal opportunity to exchange views and experiences with peers in the cross-border bond market and the Switzerland and Liechtenstein capital market community.

Excellent food on both evenings. Excellent organisation and information. Still the best event to meet “everyone” in a relaxed environment. Zermatt was great again. Thank you all for the great organisation!
