1 International Capital Market Association (ICMA)

The International Capital Market Association is the self-regulatory organisation and trade association representing constituents and practitioners in the international capital market worldwide. ICMA's members are located in 48 countries across the globe, including all the world’s main financial centres, and currently number some 400 firms in total.

ICMA performs a crucial central role in the market by providing and enforcing a self-regulatory code of industry-driven rules and recommendations which regulate issuance, trading and settlement in international fixed income and related instruments.

ICMA liaises closely with regulatory and governmental authorities, both at the national and supranational level, to ensure that financial regulation promotes the efficiency and cost effectiveness of the capital market. www.icmagroup.org

2 Elections to ICMA’s board
ICMA’s board comprises 16 members in total (including the Executive President), 15 of whom are elected by the membership of the Association for a term of office of three years. One third of the total number of board members (excluding the Executive President) must retire at each ordinary general meeting. Retiring members may be re-elected for not more than one additional consecutive term of office of three years.
