

## Appendix A5a - Deal announcements

### Vanilla DCM deal initial announcement 'minimum'/'mandatory' fields

General notes: To be consistent with prospectus documentation. Subject to information availability (including "N/A", "TBC", "Expected", etc.) and may cross-refer to prospectus documentation; Field order optional and additional fields possible (including disclaimers/legends<sup>1</sup> and including 'non-vanilla' minimum fields for AT1, structured/ABS etc contexts); Some field titles would evolve in subsequent announcements (notably relating to pricing).
