

GRCF China Committee

22nd April 2026 9:00 – 10:30 BST/ 16:00 – 17:30 CST

AGENDA

1) Welcome remarks

2) Introduction

- Alex Tsang and Zhan Chen, Co-Secretaries of ICMA's GRCF China Committee, on the background of the Committee
- ICMA update: High-level overview of ICMA's work on China repo – Zhan Chen/Alex Tsang
- Legal development in China cross-border repo market – Clifford Chance

3) Coordination and organisation of the Committee

- Coordination of the Committee – chair(s) or steering committee [call for volunteers to chair or be part of a steering group]
- Frequency of meetings
- Possible observer status for key stakeholders that are not ICMA members

4) Scope, key areas of focus & potential deliverables

Suggested scope

- Monitor, discuss and assess any existing and upcoming market, regulatory and infrastructure developments relevant to the China repo market
- Facilitate dialogue among market participants on operational, legal and regulatory issues
- Contribute to the development of market best practices and guidance where appropriate
- Support industry understanding through market surveys, educational initiatives and outreach

Potential topics include:

- Cross-Border Repo Market Development
- Legal and Documentation Framework
- Market Structure and Related Trends
- Market Infrastructure
- Capital Treatment
- Market Innovation
- Regulatory Engagement
- Market Outreach and Capacity Building

The list above is indicative and may evolve as market priorities change

5) Next Steps

- Members to review and comment on the topics
- 1-2-1 interviews – call for volunteers
- Topics prioritisation
